

RAGTIME MILLIONAIRE

Henry Moore

1928

I'm a rag, I'm a rag
I'm a rag, I'm a ragtime millionaire
All you little people take your hat off to me
Because I'm a ragtime millionaire

Mr. Henry's gonna send me a Ford, he must
Everybody else gonna take my dust
Gonna put a little sign on it, "In God We Trust"
I don't mean to have no fuss
All you little people take your hat off to me
Because I'm a ragtime millionaire

I'm a rag, I'm a rag
I'm a rag, I'm a ragtime millionaire
All you little people take your hat off to me
Because I'm a ragtime millionaire

Some of these boys say that I'm gonna be late
No if you please – I got a '28
Some boys say they goin' t'catch me at last
But all I have to do is just step on the gas
All you little people take off your hat to me
Because I'm a ragtime millionaire

Gonna take my sweetie to a ball tonight
Make those boys treat her right
Keep her out about half the night
I don't mean to have no fight
All you little people take your hat off to me
Because I'm a ragtime millionaire

Every tooth in my head is solid gold
Make those boys look icy cold
I brush my teeth with diamond dust
And I don't care if the bank would bust
All you little people take your hats off to me
'Cause I'm a ragtime millionaire
